Dear Sir:

Mr. Bob Rose of Harrisburg, Pennsylvania stopped in the Water Company Office, 19 E. Main St., Palmyra, Pa., March 16 to find out if the Palmyra A.A. would be willing to enter into a contract covering the use of the Baseball Park as a playing field for league games played by colored National League Clubs.

Before we can fully decide what we should charge for the use of the Palmyra A.A. playing field and facilities we would like to know how many games would be played by your clubs, how many players are carried by each club on account of providing adequate club house facilities if necessary.

We can not enter into a contract with you that will conflict with our own club schedule. We play all Saturday games at home, all holiday games in the morning, Sunday games away on account of no Sunday baseball in Palmyra, Pennsylvania.

We are willing to make a tentative offer of 10% on the gross gate receipts for your games. All receipts from the sale of refreshments and other concessions at the park will be retained by the Palmyra A.A.

We believe a suitable contract can be worked out after we know more definite what your requirements will be.
